# HELP AIRMEN SEND LOVE HOME THIS DEPLOYMENT

**FullCircle Home** makes it easy for your deploying troops to stay connected with the people they love most.

## WHO WE ARE ✦

Since 2007, Full Circle Home has been serving deployed military members by helping them stay connected to their loved ones back home.

## ✦ WHAT WE DO

We send beautifully curated gift boxes home on behalf of your deployed Airmen—for Mother's Day, Father's Day, and Christmas. Each box includes thoughtful gifts and, most importantly, a handwritten note from their service member. It's a powerful way to say *"I'm thinking of you"* from across the world.

## HOW IT WORKS ✦ ✦

It's so simple:

- ✦ Contact us for sign up forms.
- ✦ You share the forms with deploying Airmen.
- ✦ Send the completed forms back to us.
- ✦ We handle the rest!

## WHY WE DO IT

Deployment is hard on everyone. We believe that caring for the support system at home is just as important as supporting the service member. FCH helps Airmen stay connected by offering them a way to show their appreciation to their loved one.

## WHAT IT COSTS

Absolutely Nothing!  
This program is 100% free to participating service members and their families, thanks to our generous donors and sponsors.

# NEED HELP WITH LAWN CARE AND SNOW REMOVAL WHILE DEPLOYED?

**Project EverGreen's GreenCare for Troops & Snow Care for Troops  
are NEEDS BASED programs  
for active-duty deployed military members.**

We match volunteers (mostly professional landscapers & snow removal contractors) with military families who have a loved one deployed and need a little extra help. Our volunteers have agreed to provide basic landscaping services (lawn mowing, hedge trimming, fertilizing, snow removal, etc.) free of charge to these military families during the length of the deployment.

**For more information or to register for our programs, please visit our website:**

## OUR SPONSORS

(Please turn over)

**Who is eligible for services?**

THIS IS A NEEDS BASED PROGRAM for active-duty DEPLOYED service members. This includes all branches of military, including Guard and Reserve forces. Only one residence is permitted, and the military member must reside at that location. The lot size must be less than one acre. Deployment Orders are required for registration.

**What services are offered?**

Lawn Mowing, Trimming Hedges/Bushes/Shrubs, Fertilizing/Weed Control, Perimeter Pest Control, Mosquito Control, Fire Ant Control, Spring Clean-Up, Fall Leaf Clean-Up and Snow Removal — although not every volunteer will offer every service.

**What does it cost?**

Lawn, landscape and snow removal services are provided free of charge by our program volunteers. Our volunteers absorb all the cost of providing service to a military family. We suggest a thank you card or email to let them know you appreciate their support.

**How do I know if there is a volunteer in my area?**

GCFT/SCFT are nationwide programs. We operate in all 50 states. You must register with the program before a volunteer match can be determined. Volunteer matches are based on zip code and services requested. If we have an available volunteer in your area, the name of the volunteer and their email and phone number will appear on your computer screen. If we don't currently have an available volunteer, we'll alert you via email once one becomes available. Once matched with a volunteer, it is the military family's responsibility to contact the volunteer and make arrangements for service.

**How long does the service last?**

Services will be provided for the entire length of the deployment. If a deployment is extended or ends early, military families need to contact the program manager.

**How do I register?**

You can register on our website [www.projectevergreen.org](http://www.projectevergreen.org). An email address is required to register and will be used for correspondence with the GreenCare/SnowCare for Troops Program Manager and automated database when necessary. Any family member or significant other may register on behalf of the military member. Please make sure the person you choose will relay messages and information to you if needed. They must submit the military member's Deployment Orders during the registration. If you have questions or need assistance with the registration process, please call our program manager at 888-611-2955.
