

Career Readiness Standards

TIER 2

1

Individual Transition Plan

The Individual Transition Plan is a Department of Defense Transition Assistance Program tool designed to help you organize and manage the information, decisions and actions your family needs to reach your unique goals after transition from the military.

2

eBenefits (VA.gov) Registration

eBenefits is a secure online portal from VA and DoD where you can manage your benefits. Registration on VA.gov requires creating a free account through ID.me or Login.gov to verify your identity, which provides access to VA healthcare applications, disability claims, education benefits, military records, and more

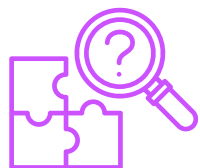

3

Post-Transition Financial Plan

A budget to prepare for the financial realities of civilian life and ensure financial security for the service member and their family. There are FIVE (5) required components - Income, Expenses, Debt, Assets, and Summary.

4

Gap Analysis

A worksheet and instructional process designed to assist transitioning service members in evaluating and translating their military experience, skills, education, and credentials into civilian employment opportunities

5

2-Day Tracks - Waivable

DOL Employment - Resume or Verification of Employment
DOL Career & Credential Exploration - Comparison of Technical Institutes
MY Education - Comparison of College-Universities
